Groups 12+:

Email us at savannah@murandacheese.com to set up a date and time for your tasting. We will have a tasting bar with designated staff set up for your group at time of arrival.

We do not accept large group reservations on weekends after 11am.

If you stop by the barn ***without a reservation, with a large party***, we will do our best to accommodate your group in smaller groups at our tasting bars, but please expect a wait! We host live music from 2pm-5pm every summer weekend day.

Payment:

Please pay in advance for your tastings by calling Savannah at (518) 572-7317. We also accept check or cash at the time of service. There is no tax.

You can choose to include a drink with each tasting if you'd like.

Gratuity is not included but appreciated- our tasting staff works hard to provide one of the best experiences in the Finger Lakes!

The experience:

Our founder Tom, owner/cheesemaker Blane, or manager Savannah, will greet your group on the bus to say hello and give a brief history of the farm. Upon entering the barn, you'll have an opportunity to grab a drink at the bar before you head to the tasting bar. Your group will taste 13-16 artisan cheeses made by us, right here in the Finger Lakes. Our knowledgeable tasting staff will describe each cheese, how it's made, offer pairing and recipe suggestions, and answer any questions you might have. After your tasting, you can shop our store for any cheeses you enjoyed, Finger Lakes & Muranda goodies and charcuterie, or enjoy a beverage on the patio overlooking the pasture. We will send you off with a fond farewell.

Please allow about an hour for the full experience.
